At the June 6, 2007, General Meeting, the Board requested an annual update concerning the status of compliant filings in regard to Vehicle Code sections 3064/3074 and 3065/3075, which requires that every franchisor shall file a copy of their delivery and preparation obligations, a schedule of compensation, as well as a copy of its warranty reimbursement schedule or formula with the New Motor Vehicle Board.

There are currently **130** manufacturers/distributors (hereinafter “manufacturers”) which fall within the Board’s jurisdiction who are required to file. The filing timeline is January 1 through December 31 of each year, and the compliance period is good for 3 years. The current status of the filings is provided as well as the information from the last two years.
